

The CSEA Central Region Safety & Health Committee invites you to

Join us as CSEA Region 5 observes **Workers Memorial Day 2019**

On **Sunday, April 28 at 12 noon**, we will gather at **SUNY Cortland**, between the Memorial Library and Van Hoesen Hall buildings, to dedicate our Region's **tenth annual "Living Memorial" tree**, in memory of those workers we've lost on the job since last year's observance. Our brief ceremony will include the installation of a plaque dedicating the memorial, and reading aloud the names of the workers we mourn.

Join Central Region President Kenny Greenleaf and our Safety and Health Committee as we pay tribute and renew our fight against preventable workplace injuries and fatalities.

FIGHT for the living!
MOURN for the dead!
